Why Does This Matter?

Prayer of Thanksgiving

The Hebrew word translated “give thanks” has a few meanings. In some places it speaks of the physical action of holding out one’s hands or throwing something.

In other instances it speaks of giving thanks or praising. Some scholars have posited that these two definitions go together because the extension of one’s hands was often associated with the act of giving thanks. The point being: when our hearts are full with gratitude, they can’t help but overflow! Our **prayer of thanksgiving** matters because in it our gratitude for who God is and what He’s done overflows in a corporate prayer of gratitude. As Psalm 95:2 says, “*Let us come into his presence with thanksgiving*”!

Spotlight

June 7 Hymn Sing

Singing is one of the most human and God-glorifying responses we can muster in response to who He is and what He has done (Exodus 15:1-21; 1 Chronicles 16:8-36). We praise and thank God for who He is and what He has done, remind ourselves of Scriptural truths, and encourage our fellow brothers and sisters to do the same. **We invite you to join us next Sunday, 7 June, at 5pm in the Sanctuary so we can sing together to worship our God.** Afterwards, we will gather in the Fellowship Hall for a potluck meal. We encourage you and your family to attend!
