Why Does This Matter?

Song of Response

Theologian J.I. Packer once wrote, *"Theology is for doxology and devotion—that is, the praise of God and the practice of godliness...Theology is at its healthiest when it is consciously under the eye of God of whom it speaks, and when it is singing to his glory."* Preaching, at its core, is theological. It proclaims truths about God, from God's Word, to God's people. Our response to this should be worship or doxology. And, one of the richest ways in which we worship is through our singing. Our **song of response** matters because it is a genuine and worshipful outflow from encountering God through His preached Word.

Spotlight

Nursery Ministry

The Nursery Ministry at ICMK is committed to serving both children (ages 0-2) and parents. We desire to provide a safe environment where the greatness of God and the glory of Christ are made known to the youngest of children, while we free up their parents to engage in corporate worship and hear the Word in an undistracted way. If you have questions about our Nursery Ministry or are interested in serving in it, please contact us at **info@icatmk.com**.

If you have any questions, please feel free to email **info@icatmk.com**
