Why Does This Matter?

Pastoral Prayer

Our **pastoral prayer** is the primary prayer of intercession in our service. In it, one of the elders leads the congregation in praying for God to work, not only in the ministries and needs of our church, but also in other churches throughout Malaysia and even in other countries. Through this prayer, we obey Paul's exhortation to his protégé Timothy when he told him "*that supplication, prayers, intercessions, and thanksgivings be made for all people*" (1 Timothy 2:1). The **pastoral prayer** matters because it is a weekly reminder of our great dependency upon God, His great grace to hear our intercessions, and His great power to answer them.

Spotlight

The C Family - South Asia

In December 2025, we had the privilege of praying over the C Family before they moved to their new missionary context. They had spent almost half-a-year at ICMK trying to discern where the Lord was leading them next. Recently, one of our members spent a week with them, encouraging them and learning how we can continue in prayer for them. Please pray for the family's physical health and language learning, for their business to run smoothly and faithfully, for the kids' new school year, for them to faithfully serve the people around them, and for those who don't know Christ to turn to Him in faith and repentance.
